TO THE CITIZENS OF THE TOWN OF DERRY

The following reports and summaries of the several departments and their activities are assembled to better acquaint the voters with the operation of their Town.

At the beginning of assessing period on April 1st, 1960 the Selectmen had high hopes of reducing the tax rate in Derry by a substantial amount.

On Friday, May 6, 1960, all of Derry was shocked by the catastrophic fire which started in the Chelmsford Shoe Co. and spread eastward wiping out several blocks and leaving many of our people homeless. Thankfully, no loss of life was suffered.

The Selectmen of Derry take this opportunity to publicly thank our townspeople and those of the surrounding towns for their splendid cooperation during this disastrous fire.

Although the Selectmen were able to gain a total of $193,291.00 in new assessments, we lost $182,295.00 in the resulting fire which wiped out all hope of any reduction on the 1960 levy.

The new Derry Shoe Co. at Ross's Corner was completed in November 1961 and open house was held with proper dedication ceremonies on February 11, 1961. This industry and the reactivating of the old Klev-Bro Shoe on Elm Street by the Jodi Shoe Co. offer many job opportunities to the residents of Derry.

We trust the following report will explain to the Taxpayer the operation of the Town and cover all items which may be of interest to you.

Respectfully submitted
Donald Bentley
Frank T. Buckley
Alvin L. Johnson

To the Selectmen:

Each year there is a demand for 3 statement on forest fires for publication in the annual town report. It is believed they serve a good purpose locally in preventing fires. The following is offered with the respectful request for publication in your town report.

Sincerely;Merton A. Webber
(District Chief)

PREVENTION IS YOUR BUSINESS

Carelessness, HUMAN CARELESSNESS, causes 9 out of 10 forest fires. Each year 200,000 fires burn over 30 million acres in the United States. This represents 5 percent of our nation's woodlands being wasted each year. Every fire takes its toll. Floods follow; stream flow is affected; timber, buildings, grazing and wildlife are destroyed - all because MANY are CARELESS with fire in and near woodland. This can be remedied. YOU can put an end to this shameful waste! PREVENTION is YOUR business!

YOU, whether YOU be a farmer, homemaker, business or professional man or woman, municipal. state of federal official, clerk or woodsman can play an important part in the continuing and vital prevention program.

First - by setting a good example YOURSELF - being sensible and complying with the necessary laws and regulations governing the use of fire in and near woodlands.

Second - by using YOUR individual influence in your community and valued council with others in insisting and encouraging them to do likewise.

The following simple rules may be used as a guide both for YOU and for them.

1. Before burning, secure a permit from your local forest fire warden - the law requires it.
2. Be sure to properly supervise your burning - don't leave it.
3. Make certain your fire, camp or debris, is DEAD OUT beforeleaving it.
4. Don't throw down lighted matches, cigars and cigarettes or from moving vehicles - make sure theyare out - use your ash tray.
5. Don't burn at home - use your town dump and save yourself much possible difficulty, both personal and financial.

REPORT OF LIBRARIAN

Although there has been a slight decrease in circulation during the past year we, feel that the library is nevertheless increasing the scope of its service to the community. Constant use of the reference room by students, material obained from the State Library for borrowers, regular visits from the Bookmobile, visits of classes from the public schools, and the use of the library by community groups, all tend to extend the influence of the library in the community.

During the past year two out-standing gifts of books were made to the library. The Derry Woman's Club gave $50.00 to be spent for books for the Jr. High students, and Mr. Horace Holiday of the Holmes and Wheeler Co. gave over 300 books in "the name of our customers." Since the last named group of books came too late in the year to be processed immediately they will be counted in the 1961 addition to the library. Many others have donated books and we are grateful to every one for their gifts.

In November the library was host to a Neighborhood Meeting sponsored by the State Library. Librarians and trustees from this area attended.

National Library Week and Book Week were observed. Several grades from the local schools visited the library, enjoyed the new books on display and many received their first library cards.

Each month the Derry Garden Club has displayed a seasonable flower arrangement with special emphasis on Christmas decoration during the holiday season.

A substantial gift of money from the Sweet Adelines made it possible to renovate and modernize the rest room.

We wish to express our appreciation to our many friends for their gifts and services and hope that the people of Derry will find the library a pleasant and profitable place to visit.

REPORT OF TRUSTEES
DERRY PUBLIC LIBRARY

A successful year has passed for our library, under the capable leadership of the librarian, Mrs. Christine Butman. Also, her two staff members, Mrs. Ruth Johnson and Mrs. Marion Alexander have given most valuable assistance.

Connection to the sewer was completed this year. And new plumbing installed at this time--a generous gift given by the "Sweet Adelines"--for which, thanks and appreciation is extended to them, from the Trustees.

A gift of fifty dollars was given by the Derry Woman's Club for Junior High material and teacher's books. The librarian selected this basic collection from science and fiction.

Again, at the Christmas Season--Mr. Horace Holiday Jr.,president of Holmes and Wheelers, Inc.,gave to our library a collection of over three hundred volumes in remembrance of their many customers.

These books were chosen especially for the citizens of our town on many varied subjects--both fiction and non-fiction--adult and young people. Be sure and come in and sample a taste of good reading and hours of pleasure.

The Derry Garden Club donated one valuable book for the Club Shelf---"Dried Flower Arrangements."

Also, two maple trees were planted on the library lawn by the Derry Garden Club.

One of the Sixteen Neighborhood meetings under the leadership of New Hampshire State Library Association was held at our library, November 17, 1960, with highlights on "Books for Teenagers."

To the Trustees of the Taylor Library:

This year the Taylor Library has become a steady patron of the State Library Bookmobile, allowing us to have many more books on our shelves for borrowing.

The rock and mineral collection, used to illustrate new juvenile geology books, was of great interest to all our visitors during Childrens Book Week in November.

We wish to thank the Moody Bible Institute of Chicago for their gift of twenty seven childrens books; Mrs. Edward Hatch for fifteen childrens books, and Mr. John Glidden for added Christmas decorations.

The Librarian wishes to express her appreciation to Miss Mabel Berry and all the friends of the library for their help and kindnesses.

Respectfully submitted
Ruth A. Varney
Librarian
